

Apply here

Start date

Flexible

Duration

6 months

Languages

Good spoken and written English levels are required (B2 onwards)

Location

Bristol, England

Bristol is the largest city in the South West of England. It has a strong reputation for creativity, digital innovation and social enterprise, and is the home of Oscar-winning Wallace and Gromit and urban artist Banksy. Offering a lively nightlife, bars and restaurants aplenty, musical diversity and many historical sites, in 2017, The Times newspaper voted it 'Best Place to Live in the UK'.

Are you eligible?

Are you a registered student?

Or

Are you eligible to participate in the Erasmus+ programme?

Benefits

See website for details of all ESPA benefits. For all internships over 6 months, additional benefits will be paid. Details available at interview.

Role

This is a fantastic opportunity for a proactive App Developer to gain practical experience within this highly successful host company who provide award winning mobile application solutions. Mentored throughout, you will assist in the development for the next generation of Android mobile applications. Working for a host of leading brands, this will be a real career boosting experience.

Tasks

- Design and build Android applications
- Collaborate with cross-functional teams to define, design and ship new features
- Work on bug fixing and improving application performance
- Continuously discover, evaluate, and implement new technologies to maximise development efficiency
- Communicate with clients

Personal Skills

- Experience in Android development and software development
- Knowledge of the full mobile development life cycle is a plus
- Exposure to or knowledge of Kotlin, MVP, RxJava, HTML, CSS, Javascript
- Knowledge of one or more of the Git, Java, the Android SDK, JUnit and Android Studio
- Knowledge of the general mobile landscape, architectures, trends and emerging technologies
- Excellent teamwork skills, good analytical and problem-solving skills with the ability to meet deadlines and work under pressure

The Host Company

The host company is an award-winning team of mobile consultants and mobile app development experts who, in the past seven years, has worked across multiple sectors with many prestigious clients. Providing the complete solution from design to finished product, they help to transform business processes, staff productivity and customer engagement, using mobile and location-based technologies. Ranked third in the Deloitte Tech Fast 50 UK Awards and recently acquired by a larger media company, this is an exciting time to be joining this rapidly growing organisation.
