

Erasmus30 Institutional Photo Contest

'My Erasmus'

In 2017 the Erasmus programme celebrates its 30th birthday. Due to this anniversary, the Office of International Education of Óbuda University invites applications for its Institutional Photo Contest '*My Erasmus*'.

The Erasmus first launched in 1987 as an exchange programme, with the aim of that those studying in higher education can have a taste of living and studying in a foreign country. Today the Erasmus offers various different personal and institutional opportunities, including volunteering, traineeships or participating in international projects.

We'd like to receive photos that are in a way connected to Erasmus+, for example what kind of opportunities does this programme offer in the fields of language learning, traineeships or volunteering, and many more topics. You can also apply with photos you took during your Erasmus semester.

Categories:

- I. Student's life
- II. Special friendships, my Erasmus friends
- III. Cultural differences, experiences
- IV. Vocational/scientific (in the lab, during training, at work)

Be on the picture!
