The above mentioned parties agree to cooperate in the following activities under the terms and conditions of the Erasmus+ Programme. Both parties agree to abide by the principles and conditions set out in the Erasmus+ Guidelines for Applicants and – if the application is successful – the financial agreement, and will work according to the principles of the Erasmus University Charter. Both parties undertake to abide by the bilaterally agreed terms of this co-operation agreement and will endeavour to carry out the agreement to the best of their abilities.

Either institution is free to terminate the present agreement. In order to do so, the institution wishing to terminate the agreement must:

- I. Notify the other institution in writing of its intention, by giving at least a 12 months' notice, stating the date on which it intends to make the termination effective. That is to say, a unilateral decision to discontinue the exchanges notified to the other party by 1 September 20XX will only take effect as of 1 September 20XX+1. In consequence, any students who have started their exchange experience at either university at the date of termination may complete their stay. If an imbalance exists in the number of terms/semesters where exchanges have taken place, the deficit institution will be entitled to further exchanges until the imbalance is eliminated.

- II. Termination of the agreement will not be penalised.

"Neither the European Commission nor the National Agencies can be held responsible in case of a conflict"

F. Information

1. Grading systems of the institutions

Grading system used at the Instituto Politécnico do Porto, Portugal:

1 - Local Grades

In the national grading system, the results are awarded in a scale from 0 to 20, and the minimum mark required for approval is 10.

2 - ECTS Grades

The ECTS grading scale is based on the percentile of a student in a given assessment, expressing the student's performance relatively to other students enrolled in the last three years of the same curricular unit/course (or in a significant group of students). Hence there is no direct fixed correspondence between the ECTS grade and the local grade.

ECTS Grade	% of students who have achieved this grade/	Definition (only for failing grades)/
A	10%	
B	25%	
C	30%	

D	25%	
E	10%	
F		FAIL - some more work required before the credit can be awarded
FX		FAIL - considerable further work is required

Portugal adopted ECTS mechanisms for our higher education system by law.

At IPP, the transfer of grades follows the ECTS procedures established in the Portuguese legislation which reflects these principles (DL 42/2005). Hence the ECTS grade calculation is made considering the percentile of each student that reflects the relative position of his/her mark in each curricular unit/course.

ECTS credits:

one full academic year	one semester	one trimester
60 ECTS credits	30 ECTS credits	20 ECTS credits
